

Special Single Housing

Economic DOE Housing (AF-DOE-EC)

- Design Pressure : 130 psid / 9 bar at 77°F / 25 °C
- Material : 304 SS, 316L SS
- Connection : (In / Outlet) :1" PT
- Filter Element Type : Double Open End
- Feature : Economic price

OD 83mm Standard Housing (AF-FI-ST)

- Design Pressure : 130 psid / 9 bar at 77°F / 25 °C
- Material : 304 SS, 316L SS
- Connection : (In / Outlet) :1" PT
- Filter Element Type : Single Open End
- Feature : Compact design

OD 83mm High Pressure Housing (AF-FI-HP)

- Design Pressure : 175 psid / 12 bar at 77°F / 25 °C
- Material : 304 SS, 316L SS
- Connection : (In / Outlet) :1" Flange
- Filter Element Type : Single Open End
- Feature : Applying for high temperature, Using stud bolt

OD 131mm High Pressure Housing (AF-FII-ST)

- Design Pressure : 175 psid / 12 bar at 77°F / 25 °C
- Material : 304 SS, 316L SS
- Connection : (In / Outlet) :1" Flange
- Filter Element Type : Single Open End
- Feature : Easy to change element
